Novara

Novara Water Butt

The Novara's cylindrical shape is enhanced by the broken horizontal lines which give interest and sophistication to this classically designed water butt.

The childproof lid can be simply locked into place with a simple screw ensuring peace of mind.

The butt features a $\frac{3}{4}$ " brass connection point for a screw in tap and side outlets near the base for draining or connecting to another tank.

Available in three stunning colour finishes. The Granite finish has a slight fleck in the colour which creates a superb granite appearance. Supplied with chrome tap.
