Watering Posts

The 3P Watering Post is available in 3 beautiful effects: Natural Stone, Wooden, and Original. Ideally used with a pressurised water supply such as the 3P Garden SteelPump to supply water to the watering posts.

Manufactured in high-grade, UV resistant polyethylene this garden or allotment standpipe is finished to give a realistic natural effect.

Each post features a 1/2" hose snap connector at the base (rear) and is equipped with a 3/4" tap in brass or chrome.
